JULY 2016 EDITION * PAGE ONE * NEWSLETTER NINETY-TWO

Constantly our staff is asked who we would recommend you do business within our great city of Tucson. We never give recommendations but we do share who we do business with unless they are a home repair type of company. This list is not complete as it stops after the letter "o". We will do a second list in August 2016 to complete thru the alphabet plus those we miss that send an email.
